Start times worked out for Norwich Central Mosque & Islamic Community Centre's own position by masjid.faith: Moonsighting Committee method, standard Asr, UK clock time. On short summer nights Fajr and Isha follow the Moonsighting Committee's seasonal rule: a limit before sunrise for Fajr, and after sunset

for Isha, worked out from the mosque’s latitude and the time of year. Jamaat times are the mosque’s own, from its website; a blank means it gave none for that day. Hijri dates: Umm al-Qura calendar. Fridays are shaded.
